ONVLIET - DAAN SCHOONVLIET - DAAN SCHOONVLIET - DAAN SC

Based in Ghent, Daan Schoonvliet brings an atmospheric energy that will guide you into a state of trance. His sets invite you to surrender, to let go, and to flow with the music. Daan aims to connect on a soul level through sound, exploring and experimenting beyond genres. Tonight, he represents LBL22 alongside Kaz. Shoutout to Kaz, who joins Doruk in leading this techno journey. LBL22 focuses on uniting frequencies, and tonight, we get to experience that together. We're immensely grateful for this collaboration and can't wait to share the night with you all. We love you.

LBL22

LBL22 is a Belgian music label focussed on techno, psy and trance music. the label was founded by Daan Schoonvliet and Kaz van Zegveld in 2025. In the first year they set out to release a new track each month to kickstart their new position in the music industry. Their goal is perfectly discribed in their slogan "Uniting Frequencies". Creating music and vibes that connects people around the world. If they can bringing people together with their music. their mission in life has succeeded.
